## STUDENT DRIVER CAR GUIDELINES

(Revised Aug 2016)

Parents: Your children's well-being and safety is important to each of us at all times including driving to and from MVCS. Below is a list of expectations for each driver and their parents. Thank you for working with us to help keep all our children safe.

1. All student drivers must have an official driver's license.
2. Student driven cars must be properly registered.
3. Students must fill out a *MVCS Student Car Registration Form* and then the student and a parent must sign the form and bring it to the office for approval before they are allowed to drive to school.
4. Once cars arrive at school, they are not to leave the campus or be driven around the campus during the day without special permission from the Headmaster.
5. Student driven cars are to be parked in the student area of the parking lot.
6. All transportation to and from school and various functions (field trips, sporting events, etc.), as it relates to student driven cars, shall be the responsibility of the parents.
7. Students are not to sit in cars during the day.
8. Senior students may drive to eating establishments or stores in Quechee during lunch. There are not to be any passengers in the car, except sibling seniors.
